

Physical Therapy Technician/Aide Certification (PTTC) Certification Program Outline

Role of a Physical Therapy Technician

A Physical Therapy Technician can participate in a variety of healthcare settings such as Health Practitioners' Offices, or General Medical and Surgical Hospitals. Under close supervision of a physical therapist or physical therapy assistant, Physical Therapy Technicians perform only delegated, selected, or routine tasks in specific situations. These duties include preparing the patient and the treatment area.

If you would like to learn more about the role of a Physical Therapy Technician, please visit the [Bureau of Labor Statistics](#) or the [Occupational Information Network \(O*NET\)](#).
